CERTIFIED PUBLIC ACCOUNTANTS

Independent Auditors' Report

To the Board of Directors
Life Pieces to Masterpieces, Inc.
Washington, DC

Opinion

We have audited the accompanying financial statements of Life Pieces to Masterpieces, Inc., which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Life Pieces to Masterpieces, Inc. as of June 30, 2025, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Life Pieces to Masterpieces, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibility of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Life Pieces to Masterpieces, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditors' Report (Concluded)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Life Pieces to Masterpieces, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Life Pieces to Masterpieces, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Life Pieces to Masterpieces, Inc.'s 2024 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 18, 2024. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2024, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2025

Note 1. Organization and Summary of Significant Accounting Policies

Organization and Programs

Life Pieces To Masterpieces, Inc. (LPTM) provides a home away from home to African American young men and boys growing up in Washington, DC's most poverty-stricken and volatile neighborhoods. LPTM's programs teach integrity, character development and leadership skills. Our after school and summer programs for 3-14 year olds provide apprentices with daily homework assistance, meals, arts, athletics, leadership development and mediation. Our Saturday Academy program for 14-18 year olds provides college and career preparation. Since 1996 LPTM has served more than 2,000 boys and young men and created more than 1,500 masterpieces.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting. Consequently, revenue, other than contributions, is recognized when earned and expenses when obligations are incurred.

Income Taxes

LPTM is exempt from the payment of income taxes on its exempt activities under Section 501(c)(3) of the Internal Revenue Code and has been classified by the Internal Revenue Service as a publicly supported charity within the meaning of Section 509(a)(2) of the Internal Revenue Code.

LPTM believes that it has appropriate support for any income tax positions taken and, as such, does not have any uncertain income tax positions that are material to the financial statements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from estimates.

Financial Statement Presentation

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. generally accepted accounting principles. Accordingly, such information should be read in conjunction with LPTM's financial statements for the year ended June 30, 2024.

Program Service Revenue Recognition

Workshop fees and sales of apprentice art pieces are recognized as revenue in the period the workshop is given or the sale occurs. Program service revenue is recognized on a point-in-time basis.

LIFE PIECES TO MASTERPIECES, INC.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2025

Note 1. **Organization and Summary of Significant Accounting Policies (Continued)**

Contributions and Grants

Contributions are recorded as net assets with donor restrictions or net assets without donor restrictions, depending on the existence and/or nature of any donor restrictions. Donor-restricted support is reported as an increase in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Contributed materials and services represent the estimated fair market value of materials and services provided. Contributed services that create or enhance non-financial assets, or require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation, are reflected in the financial statements at the estimated fair market value of services received.

Property and Equipment

Property and equipment are recorded at cost and are depreciated using the straight line method over the estimated useful lives of the respective assets, typically 3-7 years. LPTM capitalizes property and equipment purchases with a unit cost greater than \$1,000.

Cash and Cash Equivalents

For financial statement purposes, LPTM considers cash in the bank, money market funds, sweep accounts and liquid investments with original maturities of three months or less to be cash and cash equivalents.

Grants and Contributions Receivable

Grants and contributions receivable are stated at net realizable value. Management periodically reviews the status of all grant and contributions receivable balances. Management believes that grants and contributions receivable were fully collectible at June 30, 2025 and 2024, and that an allowance for doubtful accounts was not necessary.

LPTM discounts pledges that are not fully collectible within one year to their net present value; these discounts are ratably amortized over the life of the pledge and are recorded as contributions in the statement of activities.

Functional Allocation of Expenses

LPTM allocates its expenses on a functional basis among its various programs and support services. Expenses that can be identified with a specific program service, management and general service, or fundraising activity are allocated directly according to their natural expenditure classification. Salaries, benefits and indirect costs are allocated to the various programs and supporting services based upon the estimated amount of time worked in each area.
